

ILNA CHEAT SHEET | ONCS CONGRESS

One contact hour equals one renewal point. Refer to the number of contact hours for each session to determine the number of points. Some sessions may apply to more than one category, but you cannot claim points for the same session twice.

CANCER CONTINUUM

WEDNESDAY, APRIL 26, 2023

1:00 PM • Advance Care Planning Conversations: Tools for Success **2 Points**

3:15 PM • Hot Topics in Radiation Oncology **2 Points**

THURSDAY, APRIL 27, 2023

10:00 AM • Compassionate Cancer Care: A Trauma-Informed Approach to Mental and Emotional Patient Health Needs **1 Point**

10:00 AM • More Than Just Tracheostomies—Making Heads or Tails of Late and Long-Term Side Effects of Head and Neck Radiation **1 Point**

10:00 AM • Oncology Health Services Research: Testing Inclusive and Equitable Models of Care **1 Point**

10:00 AM • When Pain Holds a Grudge, Give It a Nudge! Best Practices for Managing Chronic Cancer-Related Pain **1 Point**

3:00 PM • Best of Oral Abstracts: Quality Improvement **1 Point**

3:00 PM • Disease Self-Management for Patients and Caregivers **1 Point**

FRIDAY, APRIL 28, 2023

10:00 AM • One Size Does Not Fit All: Cancer Survivorship in Diverse Populations **1 Point**

10:00 AM • Radiation Project Presentations: Treatment Considerations **1 Point**

10:00 AM • Successful Cancer Screening and Prevention Through Strategic Community Partnerships and Innovative Initiatives **1 Point**

10:00 AM • Survivorship Care: Thinking Outside the Box **1 Point**

10:00 AM • We Aren't That Different: Misconceptions in Care Delivery and Patient Outcomes Between Practice Settings **1 Point**

3:00 PM • Differential Diagnosis in the Oncology Urgent Care Setting: Pulmonary-Oncology and Neuro-Oncology **1 Point**

3:00 PM • Practicing Inclusion in the Emerging Science of Metastatic Cancer **1 Point**

SATURDAY, APRIL 29, 2023

10:00 AM • Cancer Screening and Risk Reduction Strategies **1 Point**

10:00 AM • Cardio-Oncology: The State of the Science **1 Point**

3:00 PM • Cardio-Oncology: An Emerging Discipline in Cancer Care **1 Point**

3:00 PM • Managing Radiation Acute and Late Toxicities in Gynecology: A Review of Two Complex Cases **1 Point**

CARE OF THE PEDIATRIC HEMATOLOGY AND ONCOLOGY PATIENT

WEDNESDAY, APRIL 26, 2023

3:15 PM • Hot Topics in Radiation Oncology **2 Points**

THURSDAY, APRIL 27, 2023

10:00 AM • Compassionate Cancer Care: A Trauma-Informed Approach to Mental and Emotional Patient Health Needs **1 Point**

FRIDAY, APRIL 28, 2023

10:00 AM • One Size Does Not Fit All: Cancer Survivorship in Diverse Populations **1 Point**

10:00 AM • Survivorship Care: Thinking Outside the Box **1 Point**

SATURDAY, APRIL 29, 2023

10:00 AM • Advancing Knowledge, Creating a Culture of Oncology Education **1 Point**

10:00 AM • Cardio-Oncology: The State of the Science **1 Point**

3:00 PM • Cardio-Oncology: An Emerging Discipline in Cancer Care **1 Point**

COORDINATION OF CARE

THURSDAY, APRIL 27, 2023

10:00 AM • Oncology Health Services Research: Testing Inclusive and Equitable Models of Care **1 Point**

3:00 PM • Disease Self-Management for Patients and Caregivers **1 Point**

SATURDAY, APRIL 29, 2023

10:00 AM • Cancer Screening and Risk Reduction Strategies **1 Point**

3:00 PM • Cardio-Oncology: An Emerging Discipline in Cancer Care **1 Point**

COORDINATION OF CARE

WEDNESDAY, APRIL 26, 2023

1:00 PM • Diagnostic Radiology: A Symptomatic Approach **2 Points**

THURSDAY, APRIL 27, 2023

3:00 PM • Delivering Precision Medicine Using Biomarkers in Oncology **1 Point**

FRIDAY, APRIL 28, 2023

10:00 AM • Using Biomarkers to Develop a Personalized Oncology Treatment Plan **1 Point**

EARLY POST-TRANSPLANT MANAGEMENT AND EDUCATION

THURSDAY, APRIL 27, 2023

10:00 AM • When Pain Holds a Grudge, Give It a Nudge! Best Practices for Managing Chronic Cancer-Related Pain **1 Point**

3:00 PM • Innovative Management Strategies for Acute Radiation Toxicities: Assisting Patients During Their Treatment Course and Enhancing Quality of Life **1 Point**

SATURDAY, APRIL 29, 2023

3:00 PM • Cardio-Oncology: An Emerging Discipline in Cancer Care **1 Point**

LATE POST-TRANSPLANT MANAGEMENT AND EDUCATION

THURSDAY, APRIL 27, 2023

10:00 AM • When Pain Holds a Grudge, Give It a Nudge! Best Practices for Managing Chronic Cancer-Related Pain **1 Point**

SATURDAY, APRIL 29, 2023

3:00 PM • Cardio-Oncology: The State of the Science **1 Point**

ONCOLOGIC EMERGENCIES

WEDNESDAY, APRIL 26, 2023

1:00 PM • Diagnostic Radiology: A Symptomatic Approach **2 Points**

3:15 PM • Hot Topics in Radiation Oncology **2 Points**

THURSDAY, APRIL 27, 2023

10:00 AM • Developing New Oncology Nurse Leaders **1 Point**

FRIDAY, APRIL 28, 2023

3:00 PM • Infusion-Related Reaction Management in Cancer Treatment **1 Point**

ONCOLOGY NURSING PRACTICE

WEDNESDAY, APRIL 26, 2023

1:00 PM • Diagnostic Radiology: A Symptomatic Approach **2 Points**

1:00 PM • Moving From Descriptive Studies to Intervention Trials **2 Points**

3:15 PM • FDA 101 and Nursing Roles in Unexpected Places **2 Points**

3:15 PM • Hot Topics in Radiation Oncology **2 Points**

3:15 PM • Safety and Violence in Healthcare **2 Points**

THURSDAY, APRIL 27, 2023

10:00 AM • Best of Oral Abstracts: Advanced Practice
1 Point

10:00 AM • Best of Oral Abstracts: Clinical Practice
1 Point

10:00 AM • Best of Oral Abstracts: Leadership/
Management/Education 1 Point

10:00 AM • Best of Oral Abstracts: Radiation 1 Point

10:00 AM • Best of Research Abstracts 1 Point

10:00 AM • Compassionate Cancer Care: A Trauma-
Informed Approach to Mental and Emotional Patient
Health Needs 1 Point

10:00 AM • Fulfilling Your Vision: APRN Role
Development 1 Point

10:00 AM • More Than Just Tracheostomies—Making
Heads or Tails of Late and Long-Term Side Effects of
Head and Neck Radiation 1 Point

10:00 AM • Oncology Health Services Research: Testing
Inclusive and Equitable Models of Care 1 Point

3:00 PM • Advanced Practice Project Presentations:
Inpatient Setting 1 Point

3:00 PM • Clinical Practice Project Presentations:
Toxicity Assessment and Management 1 Point

3:00 PM • Delivering Precision Medicine Using
Biomarkers in Oncology 1 Point

3:00 PM • Disease Self-Management for Patients and
Caregivers 1 Point

3:00 PM • Funding Your Research: Ideas From
Foundations and Federal Agencies 1 Point

3:00 PM • Hot Topics in Clinical Practice 1 Point

3:00 PM • Leadership/Management/Education Project
Presentations: Nursing Education 1 Point

3:00 PM • The Future of Nursing 2022: and Beyond
1 Point

5:30 PM • Poster Session 1 1 Point

FRIDAY, APRIL 28, 2023

7:00 AM • Poster Session 2 1 Point

10:00 AM • Advanced Practice Project Presentations:
APN-Led Program Development 1 Point

10:00 AM • Clinical Practice Project Presentations:
Inpatient Setting 1 Point

10:00 AM • Leadership/Management/Education Project
Presentations: Onboarding and Orientation 1 Point

10:00 AM • Leading Change in Today's Workforce: The
Path to High-Quality Cancer Care 1 Point

10:00 AM • Radiation Project Presentations: Treatment
Considerations 1 Point

10:00 AM • Rapid-Fire Research Presentations 1 Point

10:00 AM • Successful Cancer Screening and Prevention
Through Strategic Community Partnerships and
Innovative Initiatives 1 Point

10:00 AM • Survivorship Care: Thinking Outside the Box
1 Point

10:00 AM • Using Biomarkers to Develop a Personalized
Oncology Treatment Plan 1 Point

10:00 AM • We Aren't That Different: Misconceptions in
Care Delivery and Patient Outcomes Between Practice
Settings 1 Point

3:00 PM • Advanced Practice Project Presentations:
Orientation and Education 1 Point

3:00 PM • Ambulatory Practice Pearls 1 Point

3:00 PM • Clinical Practice Project Presentations: Stem
Cell Transplant 1 Point

3:00 PM • Energized and Engaged: Getting Nurses to the
Decision Table on Health Policy 1 Point

3:00 PM • Practicing Inclusion in the Emerging Science
of Metastatic Cancer 1 Point

3:00 PM • Project Presentations: Quality Improvement
1 Point

3:00 PM • Publishing 101: The Road to Manuscript
Acceptance 1 Point

3:00 PM • Radiation Treatment Options for Uncommon
Cancers 1 Point

4:15 PM • Mental Health of the Nurse: The Inescapable
Certainty of Uncertainty: Maximizing Personal and
Professional Wellness 1.25 Points

5:30 PM • Poster Session 3 1 Point

SATURDAY, APRIL 29, 2023

7:00 AM • Poster Session 4 1 Point

10:00 AM • Advancing Knowledge, Creating a Culture of
Oncology Education 1 Point

10:00 AM • Cancer Screening and Risk Reduction
Strategies 1 Point

10:00 AM • Clinical Practice Project Presentations:
Ambulatory Staffing 1 Point

10:00 AM • Leadership/Management/Education Project
Presentations: Other Practice Settings 1 Point

10:00 AM • Quality Improvement Project Presentations:
Inpatient Setting 1 Point

10:00 AM • Radiation Project Presentations: Program
Development 1 Point

10:00 AM • Research Roundtables 1 Point

10:00 AM • The Role of Radiation Therapy in the
Treatment of Dermatologic Conditions 1 Point

10:00 AM • UnLEASHing the Power of Pet Therapy:
How to Integrate Pet Therapy Into Your Cancer Center
1 Point

ONCOLOGY NURSING PRACTICE

SATURDAY, APRIL 29, 2023

- 3:00 PM • Advanced Practice Project Presentations: Ambulatory Role **1 Point**
- 3:00 PM • Building a Health Equity Lens in Oncology Nursing Science **1 Point**
- 3:00 PM • Cardio-Oncology: An Emerging Discipline in Cancer Care **1 Point**
- 3:00 PM • Clinical Practice Project Presentations: Nursing Education **1 Point**
- 3:00 PM • Empowering Bedside Oncology Nurses as Leaders **1 Point**
- 3:00 PM • Leadership/Management/Education Project Presentations: Novel Education Strategies **1 Point**
- 3:00 PM • Managing Radiation Acute and Late Toxicities in Gynecology: A Review of Two Complex Cases **1 Point**
- 3:00 PM • Quality Improvement Project Presentations: Ambulatory Setting **1 Point**
- 3:00 PM • REG-O-RAMA: Regulatory Roundtable with the FDA Nurses **1 Point**
- 3:00 PM • Research Abstract Presentations **1 Point**

SUNDAY, APRIL 30, 2023

- 8:15 AM • Pharmacology Update **1.5 Points**

PROFESSIONAL PRACTICE/PERFORMANCE

WEDNESDAY, APRIL 26, 2023

- 1:00 PM • Moving From Descriptive Studies to Intervention Trials **2 Points**
- 3:15 PM • FDA 101 and Nursing Roles in Unexpected Places **2 Points**
- 3:15 PM • Safety and Violence in Healthcare **2 Points**

THURSDAY, APRIL 27, 2023

- 10:00 AM • Best of Oral Abstracts: Advanced Practice **1 Point**
- 10:00 AM • Best of Oral Abstracts: Clinical Practice **1 Point**
- 10:00 AM • Best of Oral Abstracts: Leadership/Management/Education **1 Point**
- 10:00 AM • Best of Oral Abstracts: Radiation **1 Point**
- 10:00 AM • Best of Research Abstracts **1 Point**

- 10:00 AM • Compassionate Cancer Care: A Trauma-Informed Approach to Mental and Emotional Patient Health Needs **1 Point**

- 10:00 AM • Developing New Oncology Nurse Leaders **1 Point**

- 10:00 AM • Fulfilling Your Vision: APRN Role Development **1 Point**

- 10:00 AM • Oncology Health Services Research: Testing Inclusive and Equitable Models of Care **1 Point**

- 3:00 PM • Advanced Practice Project Presentations: Inpatient Setting **1 Point**
